- Our check is in the mail.
- Have not heard from Bryan about proposal: Submitted a proposal for the 2021 Aggie Football season that we are waiting to hear about Hornbeck's thoughts
  - 1. Businesses would stay the same. We will put out and pick up Aggie flags each home game and for play off games \$80 a flag.
  - 2. For residential:

- a) Give them the option to get a flag at the beginning of the season that they put out themselves each week. This would include playoff games. The last play off game, they would leave it out and we would pick it up that day for the end of the season. \$40
  - b) Give them the option to have their flag put out and picked up each home game and any play off games for \$80 a flag.
- We thought if we did this, we might not have to use another organization to help with flags and it would cover play off games and be more manageable.
